

NAVY & ARMY CANTEEN BOARD

In our January/February 1979 issue Steve Dunderdale reported a perfin NA/CB used by the above Board. He now tells us that he has discovered that the Board was the forerunner of the NAAFI (Navy Army & Air Force Institute), and was formed from the Army Canteen Committee in 1917. It later became the NAAFI when the Royal Air Force was included in January 1921.
